

Adjustments due to COVID-19

We are happy to celebrate the fall with you.

The farm is open to those who feel well and are ready to have some fun. If you are feeling ill, have had a fever in the last three days or have been in contact with someone who has tested positive for COVID-19 in the past 14 days, please stay home and get better.

Guests are required to wear a mask or face covering while inside our venue and when they are unable to stand six feet away from others outside.

This is a farm visit. There will not be hand sanitizer stations at the farm. If you wish to have hand sanitizer or wipes, please bring your own. There are hand washing stations outside and indoor restrooms where you may wash your hands.

Due to COVID-19, wagon rides and the popular corn bin will not be available. Due to storm damage caused by the derecho, the farm will close at 6 p.m. on the weekends.

Carvable pumpkins will be sold at \$7 each any size to eliminate weighing them.

We appreciate your understanding and support.
